

Experience an intimate connection  
with five extraordinary women.

**Jean Chatzky**  
Money 911 (March 23, 7:30pm)

Award-winning journalist and best-selling author, Jean offers life changing financial advice that has transformed the way women think about money and wealth. Seen, heard and read daily by millions of women as a regular contributor on NBC's *Today Show*, in *More* magazine, and on *Oprah & Friends* SIRIUS XM satellite radio channel, and now in her exclusive SmartTalk appearance, Jean will give you the tools to achieve your financial dreams and take control of your life.

**Lee Woodruff**  
Life Changes In An Instant (April 26, 7:30pm)

How do you survive when life as you know it changes in an instant? Lee Woodruff is singularly equipped to tell you. Author, journalist and contributing editor for *Good Morning America*, Lee's life took a dramatic turn when her husband suffered a traumatic brain injury in Iraq. Suddenly, her field of expertise - home and family - expanded to include brain injury awareness and advocacy for families coping with this affliction. Be dazzled by courage - in an instant!

**Valerie Bertinelli**

**Taking Back Your Life** (January 26, 7:30pm)  
For years Valerie Bertinelli was known as America's sweetheart, now she's known as an actress, single mom, author and a health and weight-loss activist. In her empowering talk "Taking Back Your Life," Valerie will recount her struggle with weight issues over the years, the lessons learned and the courage it takes to make such a profound change in her life, as well as the faith required to maintain it.

**Liz Gilbert**

**Beyond Eat, Pray, Love** (February 23, 7:30pm)  
Elizabeth Gilbert's explosively popular *Eat, Pray, Love* swept readers away on a forceful tide of playfulness, insight, humor and eloquence. In fact, this story of the year she spent in search of personal restoration following a difficult divorce was just a sampling of her prolific work and talents. The irony, honesty and quick wit of her award-winning journalism and other stories make her a captivating speaker and engaging role model.

**Diane Keaton**  
An Evening With Diane Keaton (May 11, 7:30pm)

Starring in more than 50 films, Oscar Award-winning actor Diane Keaton continues to draw audiences across all ages. Diane will speak candidly about the balance between her career, her work and her family. She will share the importance of creating that personal sanctuary to achieve inner and outer peace. From her personal insights to Hollywood tales, don't miss an evening with this extraordinary and real woman.
